<b>WORKMANSHIP</b>	<b>Rating</b>	<b>Comments</b>
1. <b>Piecing:</b> General construction is precise; corners and points match; stitches do not show; seams are secured, thread color should blend		
2. <b>Applique:</b> Securely attached without puckers, smooth curves and sharp points, even stitching, no shadowing of dark fabrics under light, thread color should blend.		
3. <b>Borders:</b> Construction well executed with straight seams: no ripples, puckers or stretching: corners are square and precise.		
4. <b>Finishing:</b> Batting extends to edge of binding; width is consistent, stitching secure, and edges are straight. Corners are square, miters stitched closed, seam allowances of miters turned in opposite directions.		
5. <b>Hand Quilting:</b> Stitches are even and consistent, front and back; no visible knots, backstitches, no fabric pleats or bubbles on front or back..		
6. <b>Machine Quilting:</b> Balanced tension, stitches are even and consistent; starts and stops not obvious: no pleats or bubbles on front or back.		
7. <b>Amount of quilting:</b> Sufficient and appropriate for design of top and batting type: consistency reasonably maintained throughout.		
8. <b>Special Techniques:</b> (Embroidery, tying, embellishments, beading, overlays, trapunto, photo transfers, etc.) Secure, neat, and effectively executed.		
<b>APPEARANCE AND DESIGN</b>		
1. <b>Visual Impact:</b> line, shape, color, texture and value effectively used. Design is interesting, balanced and well-proportioned.		
2. <b>Quilting pattern:</b> complements the top design, fills the spaces well, and is consistent in proportion to the top design elements		
3. <b>General Appearance:</b> neat and clean, no visible markings, lint, soil, pet hair, odor, stains. No obvious distortion or sewing problems.
